Gentlemen:-

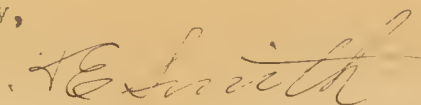

Yours of Nov., 4th received and I must say that I remember the correspondence referred to, but I thought it had been ignored by you.

You can send me copper coins of South and Central America and Hawaii, but omit the U.S. coins of '04 and '70 as I have secured these.

I do not desire coins of the highest standard, but my idea is to secure a coin from each country, so that the date and name is all that is necessary to be perfect.

Notify me when shipment is made and prompt investigation will be made by myself.

Yours truly,

Gentlemen;-

I send you by to-day's Express package of returned money, also \$7. 60 in cash, the amount that I selected came to \$8.05. The Express charges on package to me from other party, which I paid was .45, this with the \$7.60 covers the amount selected.

I should have returned this sooner, but owing to rush of business and forgetting to bring my coins from home to find out what I had, caused the delay. I will need some more in the near future and as soon as I have an opportunity of going over my collection will let you hear from me.

Trusting that everything is satisfactory, I beg leave to remain,

Yours very truly,

H. E. Smith.
